Safeguarding Statement for Parents/ Carers of children at Marsworth CE Infant School

“At this school, the health, safety and well-being of every child are our paramount concern”

We listen to our pupils and take seriously what they tell us. Our aim is for children to enjoy their time as pupils in this school. We want to work in partnership with you to help your child achieve their full potential and make a positive contribution to the school and the world they will be part of in the future.

To promote a safe environment for pupils, our selection and recruitment policy includes all checks on staff and regular volunteers' suitability, including Disclosure and Barring Service checks, as recommended by Buckinghamshire County Council in accordance with current legislation.

In accordance with our responsibilities under section 175/157 of the Education Act 2002, and “Keeping Children Safe in Education” 2015, we have a Designated Person for Child Protection (Mrs Polatci) and a deputy (Mrs Stevens) who are both members of the small team at Marsworth, and have received appropriate training for this role. It is their responsibility to ensure that all staff in contact with children attend child protection awareness training on a regular basis.

Occasions do arise when our concern about a child may mean that we have to consult other agencies. Whilst we would always aim to work in partnership with parents there may be exceptions to this when concerns are raised for the protection of a child. On very rare occasions, Social Care, whilst undertaking an investigation under s47 of the Children Act 1989, may want to speak to a child without parents' knowledge. This would be a decision made in collaboration with partner agencies and would only be done in situations where a child might be at immediate risk. To gain consent at this point may increase the level of risk to the child or cause evidence of a crime to be lost.

The procedures, which we follow, have been laid down by the Local Safeguarding Children's Board, and the school has adopted a Child Protection Policy in line with this for the safety of all. If you want to know more about our procedures, please speak to the Headteacher, Mrs Polatci or your child's class teacher. The Policy can be found on the school website or a copy may be obtained on request from the school office.
