Establishing Routines

The start of a new school year enables us to set the tone for learning and behaviour in the school. It is an important time for teachers and children to establish classroom routines and to set expectations of behaviour and working well together. Please help us by ensuring children are in school by 8.50 (in preparation for an 9am registration), wearing the **correct** school uniform and have a named water bottle for them to access throughout the day. Please can the bottle contain water only.

On the school website and in the prospectus you will find detailed information about the school day including school uniform information and what they need to bring for games and PE. We know it takes a day or two to get used to going to bed on time and settling back in and this is key to helping the children do their best.

Updating information – alert in advance

At this time of year, we need to update the information we hold in school about your child. We try to keep the number of requests to a minimum however it is important for the safety of all children that we have up to date and accurate information. I thank you for a timely response to any such requests, which will come to you in the coming weeks.

Changes

As you have noticed, we have had a new shelter installed for the bikes and trikes and playground equipment. This will enable the children to have more independence at accessing them and caring for them. This reinforces our value of respect.

We are changing our celebration worship which took place every Friday morning. We will now have celebration worship on the last day of each half term. This will take place in the church straight after registration. Parents and family members are welcome. Reminders will be sent out prior to each service. We look forward to welcoming you all to celebrate the children's successes throughout the year.

In the past the children have been presented with a bible at the leaver's service. We have decided to change this and present the children with their bible when they enter KS1. This will enable the children to use their bible in their RE lessons. The children will take it home with them when they leave the school. Further information will follow shortly.
